

Carnival Cruise Lines Prohibited Items List

(Revised April 4, 2006)

- Firearms, including non-firing weapons and starter pistols
- Ammunition, including bullets, shot or missile that can be fired using a propellant
- Imitation or replica weapons, including de-commissioned weapons or those not capable of being fired, and toy weapons
- Explosives or explosive component parts such as detonators
- Fireworks or Pyrotechnics (Except those being used in connection with a company stage production which have been properly manifested)
- Taser or electronic Stun Guns
- Pepper or Mace sprays
- Telescopic or regular batons
- Martial arts equipment (Flails, throwing stars, belt buckle knives, etc.)
- Handcuffs, Brass Knuckles
- Compressed gas bottles/cylinders
NOTE: Dive tanks are allowed if empty. Medical gas bottles are allowed in connection with a certified medical condition but cannot be packed in baggage. Oxygen cylinders must be delivered to the pursers' office and stored in a designated safe area.
- Diver spear guns/slings
- Knives with blades longer than four (4) inches
NOTE: Recreational dive knives are allowed onboard, but must be held in custody of the chief purser or chief security officer. Dive knives may be checked out/in by the owner for dive excursions during the cruise. Ceremonial swords are at times permitted with prior notification from the Surveillance/Security Department but are held onboard in the same manner as dive knives.
- Volatile and highly flammable liquids such as cigarette lighter fluid
- Scissors with blades longer than four (4) inches
NOTE: Large scissors of the type used by scrapbook, quilting enthusiasts are at times permitted with prior notification from the Surveillance/Security Department but are held onboard in the same manner as dive knives.
- Any other item made, adapted, or intended for use as a weapon
- Ham radio transmitting equipment
