Life on board

International On board Assistance

Carnival's International Purser's Programme is an exciting addition to our shipboard pampering service that's sure to make you feel welcome and comfortable during your "Fun Ship" cruise! Our multilingual representatives are available to assist you at embarkation, immigration, customs, debarkation and coordination of your on board special programmes and activities. Our programme is constantly expanding to better service you. For an updated list of International Purser's representatives, ships and language services provided, you may contact your travel agent. Our staff is at your disposition with their attentive hospitality for your holiday pleasure.

Your Room Steward

The good life begins with your Stateroom Steward. One is assigned to each stateroom and will be at your service for your entire voyage. Your stateroom steward will take care of everything you need and even turn down your bed at night. If there is anything else you'd like, please contact Room Service.

Stateroom Keys

For your convenience your Sail & Sign card is your key, except on the HOLIDAY, CELEBRATION, FANTASY, ECSTASY, SENSATION, FASCINATION, and IMAGINATION where two stateroom keys are provided for your use during the cruise. You are responsible for your keys and we ask that you leave them in your stateroom prior to final debarkation.

Can I Change My Stateroom?

We do our best to accommodate you. If there are other staterooms available and you wish to upgrade your accommodations, changes may be made only through the Information Desk or Embarkation Supervisor at the pier prior to sailing. You'll receive a receipt from the Purser who will note the monetary difference on your cruise ticket, which must be paid at the time the change is made. On the other hand, if you voluntarily downgrade your accommodations, there will be no reimbursement.

Is There More Than One Class of Service on Board?

No. There's only one class on Carnival and that's "first class". Everyone is treated exactly the same, has access to the same areas of the ship and its facilities, and receives the same pampering service. We see to it that everyone has a great time.

Cruise Director and Staff

Your Cruise Director and staff are on board to ensure your pleasure and entertainment. They'll provide a world of fun things to do, from early-morning deck activities to late-night shows and everything in between. Please refer to your Carnival Capers for a complete listing of all activities.
