You'll hear it again and again: Carnival's dining options are amazing! Always a special occasion, and whatever your mood, a perfect dining experience awaits you. Carnival's formal dining offers culinary triumphs at some of the sea's finest ocean-view restaurants.

Carnival's Total Choice Dining lets you select the times and menus you prefer, including fabulous buffets on deck, health-conscious Spa Carnival selections, children's favourites, café treats, and even complimentary stateroom service.

Discriminating diners appreciate Carnival's reservations-only Supper Club, where the atmosphere is intimate and the service superb. Steaks and seafood are exquisitely prepared and presented, and the international wine list ensures that you will find the perfect complement to your meal. To delight our guests, we have created an ambiance of the best land-based dining experience blended with the unique allure of dining at sea.

Welcome to a new world of dining, where your every meal is a work of art — from the casual poolside buffet to an elegant anniversary celebration. A steak isn't just a steak, but a finely aged filet mignon crafted to perfection and ready to melt in your mouth. A pizza isn't just pizza, but a 24-inch masterpiece you can savor anytime. And our sushi chefs can't wait to impress you with their inventiveness and exotic ingredients.
