Discover all the fun for all ages.

We don't just simply welcome your children, we absolutely love them! Why else would we organize so many fun, zany, and energizing activities for them to enjoy while cruising with us?

Our objective is to create smiles and lasting memories for children of all ages. We have designed imaginative activities, parties, and games that open new worlds of fun and fantasy to our special guests. From toddlers to teens, we plan events just right for all of their ages and stages!

It's always fun at **Camp Carnival** where children ages 2-14 can choose from an incredible variety of activities designed just for them. Whether it's arts and crafts, talent shows, dance parties, swimming, marine biology or creative writing, your kids will discover fun Carnival style, while making new friends from around the world.

Teenagers are also happy to socialise parent-free in **Club O₂**, with their own teen-approved activities designed for the discriminating tastes of cruisers ages 15-17. All the while, parents can be off trying to remember what life was like before children.
