

## GROUP FUN POINTS AND FLEXI-PRICING

Choose your points... choose your price!

Carnival Fun Points allow you to combine our preferred group rates with the amenities that you need to make your program work or to take advantage of an even lower rate without amenities. Fun Points allow you the flexibility to choose the price and amenities that fit your needs. Here's how it works:

Each sailing has a specific number of suggested Fun Points available (between 0 and 6) for group bookings (Fun Points are subject to change and depend on inventory availability).

1. Use suggested Fun Points: Choose amenities until you use up all your points. With this option, you will be able to take advantage of our menu of amenity selections and discounted group pricing.
2. Choose the lowest price: If your group wants the lowest group rate available, ask the Group Vacation Planner for the no-amenities rate. If Fun Points apply on the sailing, the rate will be reduced.
3. Choose just what you need: Select only the amenities that you need for your group and reduce the price of the cruise by giving up some of your suggested Fun Points.
4. Choose more amenities: Additional Fun Points can usually be "bought." Tell the group vacation planner which amenities you need and we will calculate their point value and quote the new (higher) group price including the extra amenities.

Here's an example of each choice showing the effects on pricing:

Carnival Triumph 7 Day Cruise - 6 Suggested Fun Points with 4B at \$599

1. Use the six suggested points - RATE: \$599, POINTS: 6: Champagne and Chocolates (1 pt) and \$100 per stateroom on board credit (5 pts).
2. Choose the lowest price: - RATE: \$557, POINTS: 0: No amenities
3. Choose just what you need - RATE: \$571, POINTS: 2: Private cocktail party (2 pts)
4. Choose more amenities to meet your needs - RATE: \$641, POINTS: 12: Champagne & Chocolates (1 pt), Bottle of House White Wine (1 pt), Private Cocktail party (2 pts), 2 category upgrade (3 pts), \$100 per stateroom on board credit (5 pts).

Carnival's Group Fun Points provide an innovative and exciting approach to group pricing. In addition to group discounts, Fun Points provide another tool to help you succeed in developing group business.

All amenities apply only to full fare guests (first/second in stateroom), unless otherwise noted.

Attached is a listing of the available amenities and their point value based on cruise duration.
