

HOLIDAY ITINERARY CHANGE

MAY 4, 2009

April 29, 2009

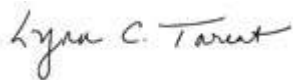

Dear Carnival Guest:

We will replace the scheduled calls in Cozumel and Calica with visits to Key West and Freeport for the Holiday May 4, 2009 departure.

We know you will enjoy the visit to these exciting new ports. However, if this change is not acceptable to you, we ask that you contact Carnival as soon as possible. We will provide a future cruise credit in the amount you paid for this cruise and you can sail with us anytime prior to December 31, 2010. Please understand that refunds will not be provided.

Most importantly, we are looking forward to welcoming you aboard the Holiday. The Captain, officers, staff and crew are dedicated to providing you with a fun and memorable vacation.

Best Regards,
