

Q. I don't have a computer and/or printer how can I get my electronic cruise documents?

Q. I booked air through Carnival; do I need to provide any other information to the Travel Service department?

A. The Transportation and Security Administration (TSA) now requires full name (first/ middle/ last - as it appears on your government issued picture ID when traveling) be added to all air flight reservations. Please complete your Funpass at [www.carnival.com/funpass](http://www.carnival.com/funpass) This will ensure that we have all the required information to complete your air reservation.

For newly married or soon to be married brides, we recommend that if your government issued picture ID is in your maiden name, you make your cruise booking in your maiden name. In the event that your reservation was made in your married name; please bring proof of your marriage certificate or marriage license with you.
