

CARNIVAL CRUISE LINE SECURITY SERVICES

SECURITY GUIDE AND GLOBAL DIRECTORY

Pursuant to the enactment of the Cruise Vessel Security and Safety Act (2010), please be advised of the following:

You should immediately dial 911 or the Guest Services Desk to report any missing person or criminal activity. In addition, the Security Department is responsible for responding to alleged crimes and missing persons and can be contacted directly at any time by dialing 911 or thru the Guest Services Desk. It is important that guests immediately report missing persons and criminal activity so responding Carnival personnel can secure necessary information. The Medical Department can be contacted at any time by dialing 911 or thru the Guest Services Desk for any required medical assistance.

Carnival Cruise Line has zero tolerance for crime on board its vessels. On international voyages that embark or disembark in the United States, Carnival Cruise Line is required by federal law to report on board felonies and missing U.S. nationals to federal agencies. For a missing U.S. national and all serious felonies (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by federal laws, firing or tampering with the vessel, or theft of money or property in excess of \$10,000) the incident must be reported to the F.B.I. by telephone as soon as possible, to the U.S. Department of Homeland Security electronically, and to the U.S. Coast Guard in writing. These requirements apply to incidents that occur on board: in U.S. territorial waters, or on the high seas or in foreign waters if the assailant or victim is a U.S. national.

The F.B.I. can assert criminal jurisdiction in all of these circumstances. Each of the nations visited, as well as the vessel's nation of registry, may also assert jurisdiction and/or impose additional reporting requirements. Carnival Cruise Line reserves the right to report any/all criminal allegations to any national, state or local law enforcement agency in addition to those mentioned.

For missing persons or felonies arising at any time during the voyage you may independently contact the F.B.I. or U.S. Coast Guard. For incidents within state or foreign waters or ports you may, in addition, contact local law enforcement authorities. Contact information for these entities and the National Sexual Assault Hotline 1-800-656-4673 as well as other third party victim advocacy services are listed on the following page, along with the locations of U.S. Embassies and Consulates in the ports visited.

We ask that you please timely report any incident to vessel management. Failure to do so may prevent a thorough collection of information and evidence.
