

Sail away
with love

A photograph of a young couple embracing on a sandy beach. The man is wearing a white long-sleeved shirt and khaki pants, and the woman is wearing a light blue crop top and a long white skirt. They are both smiling and looking at each other. The background shows a blurred view of the ocean and some trees under a clear blue sky.

Personal touches

Let's cut the cake!

Pardon the pun, but one of the sweetest parts of getting married is the cake... both the taste and the tradition. That's why all Carnival shipboard wedding packages include a classic two-tier wedding cake. Most important, the cake is customizable to your taste – choose a flavor for the cake and for the filling.

CAKE FLAVORS

Choose from Butter/Vanilla, Chocolate, Marble, Lemon, Coconut, Carrot, or Red Velvet. And yes, you can mix!

CAKE FILLING

Select your filling from Vanilla, Chocolate, Cream Cheese, Strawberry, Lemon, or Coconut

On-island cakes are 8-inch, 1-tier cakes. If you need more cake to feed your guests, larger cake sizes can be purchased to make sure all your guests get a slice! Photos are displayed with extra decorations and other cake enhancements available for purchase through the vendor in the home ports and destinations venues.

Entertainment

All Carnival wedding packages include complimentary pre-recorded ceremony music. If you're interested in exploring entertainment for your reception, please contact us for options!

Frequently asked questions

HOW CAN I BOOK A WEDDING?

Just give us a call! Once we've confirmed that space is available on your date and you've booked your cruise, our personal wedding planners can help you find your perfect wedding package. You may contact the Wedding Department at 1-800-933-4968, Monday through Friday 9:00 a.m. to 5:30 p.m. ET. Due to limited space, all wedding reservations are allocated on a first-come, first-serve basis.

CAN I PAY FOR MY WEDDING OVER TIME?

Payment is due at the time of booking, and a portion of all wedding packages is non-refundable deposit to secure your special day. Carnival Weddings can be booked by phone with a credit card. Financing may be available and based on approval. Sorry, no personal checks or passenger gift cards accepted.

DO I NEED TO CRUISE TO HAVE A CARNIVAL WEDDING?

Yes, the wedding couple is required to sail. Fortunately, getting married on Carnival is the perfect way to start a honeymoon! We do welcome both sailing and non-sailing guests in most ports. In ports requiring water shuttles to get to and from the ship, non-sailing guests are not permitted to board the shuttles or ship.

Frequently asked questions

AT WHAT TIME DO MY WEDDING GUESTS AND I NEED TO BE AT THE PORT?

Priority boarding is provided for couples being married the day of embarkation, once the ship is cleared by U.S. Customs. Arrival time for wedding guests is usually 10:00am for most ports. These times are provided with embarkation instructions through our Wedding Department based on the sailing port. You must be at the pier at the time indicated by your Wedding Planner for priority boarding. Please be prompt. Couples getting married later in the cruise will follow general boarding procedures.

HOW LONG WILL MY WEDDING CEREMONY LAST?

The ceremony is approximately 15 to 20 minutes.

WHAT'S INCLUDED IN THE SHIP'S ONBOARD WEDDING CEREMONY SET-UP?

Onboard weddings include an aisle runner and two decorative pillars with white silk floral arrangements. We also have additional decorations, like silk rose petals, that we are happy to provide with specific wedding package enhancements.

WHAT TIME DOES THE WEDDINGS START?

In most ports, weddings start at approximately 12:30 p.m.

WHAT IS THE DEADLINE TO BOOK A WEDDING?

You must book your wedding no later than 60 business days prior to sailing. But don't wait that long – all our services are available on a first-come, first-serve basis, and often sell-out.

IS THE CRUISE PRICE INCLUDED IN THE WEDDING PACKAGE?

No. The cost of the wedding package and related services does not include cruise fare. Your cruise must be purchased separately. It is important to confirm availability for your desired wedding date, prior to purchasing the cruise.

HOW DO YOU DETERMINE WHICH ROOM MY WEDDING WILL BE IN?

Wedding lounges are assigned based on the number of guests attending the wedding, plus which reception option you've selected.

Frequently asked questions

WILL MY CEREMONY BE PERFORMED BY THE SHIP'S CAPTAIN?

All wedding ceremonies are performed by a local officiant, except in the case of the symbolic at sea weddings, where the captain or another senior officer will preside. Some ports allow symbolic ceremonies only, while the laws in other ports prevent us from being able to offer legal or symbolic ceremonies.

DO I NEED TO HAVE A RECEPTION WITH MY WEDDING CEREMONY?

How you celebrate your big day is up to you, and we know you want to make it memorable for your guests. We can accommodate almost any budget with options for hors d'oeuvres and beverages. If you select a package without a reception, a short cake cutting and champagne toast will be held to end your ceremony.

WHICH TIME OF THE YEAR IS THE LEAST EXPENSIVE TO HAVE A WEDDING?

Wedding prices don't change seasonally but are subject to change at any point based on capacity and demand. Some vendor holiday fees may apply.

CAN I GET MARRIED WHILE AT SEA?

Yes! We now offer the option of Wedding At Sea. These are symbolic ceremonies – they're not legally binding. Offer available on select ships and dates. Call to inquire about availability. The symbolic ceremony is performed by an assigned shipboard officer or member of management. Couples are required to provide a proof of legal marriage prior to sailing.

DO YOU PERFORM SAME SEX MARRIAGES?

Absolutely! Note, however, that certain ports we sail to do not recognize the legality of same-sex wedding ceremonies. In those ports we can only provide symbolic ceremonies for same-sex couples. The laws at some ports prevent us from being able to offer a symbolic or a legal service. Please contact our Wedding Department for more information on which ports have restrictions.

Frequently asked questions

WHAT IS THE DIFFERENCE BETWEEN THE TYPES OF CARNIVAL WEDDINGS?

- An Embarkation Wedding takes place on the ship before your cruise begins, so you can celebrate with family and friends who are not sailing with you.
- A Wedding At Sea requires that all guests sail with you, since it takes place on the ship, at sea.
- An Onboard Destination Wedding is offered aboard the ship while it's docked in a particular port.
- Destination Venue Weddings happen off the ship, either on a beach or a similarly beautiful location.

What you need to know

PRE-CRUISE TRAVEL ARRANGEMENTS

We strongly recommend couples and their guests to arrive at the homeport city least one day prior to sailing, in order to avoid late flights, traffic, etc. on their wedding day. This is not a requirement – only a suggestion. Since we want this day to be as stress-free as possible, we will work diligently to provide early boarding to our wedding couples and their guests. Please note that Carnival's transfer service will NOT get you there early enough for your wedding. These transfers are for regular boarding. Please make alternate arrangements for prompt transportation to the pier.

WEDDING GUESTS

Please ensure your guests arrive with you and are carrying proper photo identification. You must provide your final guest list, along with any payment for additional guests, no later than 35 business days prior to the cruise. Non-sailing visitors are not authorized to attend shipboard wedding functions in the ports of Aruba, Cozumel, Key West, Grand Cayman, and Half Moon Cay. No refunds will be provided for guests that are no-shows. Guests wishing to cancel within a week of sailing will be considered no-shows, and no refunds will be provided. An additional \$50 processing fee will apply for any change made to the final guest list within 35 business days of the sail date. Absolutely no changes or additions can be made within 10 business days prior to the sailing date. Additional vendor coordinator fee will apply for capacities 50+. Fees will vary by port.

THIRD-PARTY VENDOR SERVICES

Carnival Cruise Line contracts third-party vendors to provide service for both shipboard and destination shore-side locations. The third-party vendors are responsible for assisting with the ceremony details including, but not limited to providing the officiant, port transportation, floral upgrades, obtaining the marriage license (*some states require the couple to obtain it), chair rentals and decor (i.e., isle runners, arch, canopies etc.). These services are not included under the Carnival wedding package cost and carry additional fees payable directly to the vendor.

What you need to know

PRIORITY CHECK-IN

Priority boarding is provided for couples getting married on the day of embarkation. However, the ship must first be inspected and “cleared” by U.S. Customs before anyone may board. Please arrive promptly and pay special attention to your boarding information to ensure you are at the pier in time for priority boarding. You and your guests, both sailing and non-sailing, must arrive together in order for them to be allowed priority boarding. All visitors must present a printed boarding pass, and photo identification upon arrival. Couples who are getting married later in the cruise, not at the beginning, will follow general boarding procedures. Proper travel documentation is required at embarkation and throughout the cruise. Even if a guest has completed registration using Carnival’s online check-in, it is still the responsibility of the traveler to bring all required identification and travel documents. Please refer to information about travel documentation on carnival.com.

LICENSING REQUIREMENTS

While our wedding vendors can provide assistance or information, all couples are responsible for obtaining their own marriage license. You must obtain a license from the state or country where the wedding will be performed. While most jurisdictions recognize marriages formalized in foreign jurisdictions, not all do. You are responsible for determining whether a wedding performed in a foreign jurisdiction will be recognized in your home jurisdiction. Marriage license application and marriage license fees are paid directly to the vendor within 35 business days of booking the wedding package and are non-refundable. Sales taxes and processing fees may apply in certain ports. When you book your wedding package, a Carnival wedding planner will include further information on obtaining your marriage license.

LET'S TALK MORE ABOUT YOUR WEDDING CEREMONY

After all, you have been dreaming of this day for some time. Carnival Weddings provides legally binding wedding services in accordance with the laws that govern the port in which the vows are being exchanged. We'll talk more about your legal wedding under licensing requirements. Civil ceremonies are performed in English by a notary public. Ceremonies in the ports of St. Thomas, Galveston, New Orleans, California, Barbados, Nassau, Half Moon Cay, Grand Turk, Jamaica, Mahogany Bay, San Juan and Grand Cayman are non-denominational and performed by a minister. Weddings in Cozumel are performed by a Judge, in Spanish and translated to English. Only symbolic marriages are offered in the ports of Aruba, Mahogany Bay (Roatan), Nassau (The Bahamas).

Our shipboard weddings will include an aisle runner and silk floral arrangements in a private lounge. On-island ceremony setups may vary depending on location; couples are encouraged to enhance their ceremony venues with additional decor available for purchase through our vendors.

All ceremonies are performed in port before the ship sails. Locations are determined based on the number of guests attending, length of reception and options selected. Ceremony times and locations are confirmed within two weeks of sailing. We try our best to stick to a tight schedule, however delays or changes due to unforeseen events can happen. For weddings scheduled during the cruise, it is not recommended that you and your guests plan shore excursions on the same day as your wedding.

What you need to know

CANCELLATION POLICY

90 days or more to sailing, refund is 100% of wedding price. 90 to 76 days prior to sailing, refund is 50% of wedding price. 75 to 61 days prior to sailing, refund is 25% of wedding price. Unfortunately, no refund is applicable if canceled within 60 days of sailing.

CHANGES IN ITINERARY, CANCELLATIONS OR DELAYS BY CARNIVAL

Carnival has the right, without previous notice, to cancel, reschedule or delay performance of the wedding agreement at the port of embarkation or any time during the cruise for any reason whatsoever, including but not limited to (i) charter of the vessel, (ii) the ship's Master exercising their discretion, for any purpose, to deviate in any direction or for any purpose from the direct or usual course, and to omit or change any or all ports of call; arrival or departure times, with or without notice for any reason whatsoever, all such deviations being considered as forming part of and included in the proposed voyage, or (iii) any reason beyond Carnival's reasonable control; without prior notice, and shall not be held liable for damages, compensation and any inconveniences caused to our guests by reason of such cancellation or rescheduling.

ALL PACKAGE TERMS AND PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

Please note that for all wedding packages, a portion of the price is a non-refundable deposit. We've tried to include as much information as we can to share how special we can make your wedding day! Some information included here is general – detailed information such as contracts/agreements, procedures, amenities, requirements and pier directions will be mailed to you after you have booked your Carnival wedding package.
